Shellville Facility Services Chosen for Premier Center City Properties

Shellville Facility Services, a division of Matrix, today announced that it has won two premier janitorial services contracts: SSH's 123 South Broad Street, an 892,000 square foot premier Center City office property and Brandywine Realty Trust's 862,000 square foot Main Post Office building, one of Center City's historic landmarks.

These awards culminated an exhaustive competitive process that highlighted Shellville's EcoSmart™ environmentally sustainable green cleaning program and its Cleaning Industry Management for Green Buildings (CIMS-GB) certified service platform.

"These agreements solidify Shellville's position as the most innovative and progressive facility service provider in the region," noted Shellville President Peter Criville. "Our proprietary service platform consistently delivers superior results and our record of success at similar properties is a source of pride for our entire organization."
